Opportunities for Women: Pocono Gal Pal Getaways

The Pocono Mountains offers a variety of playing experiences that combat the three top reasons why more women (and men) don't play:

1. **I don't know how to play:** Get rid of intimidation and join a women-only golf school. [Skytop](#), [Split Rock](#), [Woodloch](#) and [Shawnee](#) all offer women-only programs that are inexpensive.
2. **I can't afford it:** Ladies Day is Tuesday at the Inn at [Pocono Manor](#) and [Mountain Manor](#), with discounted rates. Try [Mount Airy](#) or [Fernwood](#), where midweek rates can be as low as \$30. Look for rates after 1 p.m. and weekdays for deals.

3. **I don't have time:** Aim for courses with 9-hole playing opportunities for a quick two hours of outdoor time, such as [Glen Brook](#), [Jack Frost](#), or [Buck Hill](#).

All courses have stay-and-play packages - and guys, you're invited, too. See poconosgolf.com for more information.
